

Cleveland Individual 2012/13

Sixteen people entered the tournament with a wide range of strengths. This is fewer than in recent years, and we need to consider ways to encourage more players to participate. Some people made suggestions to me during the season, and there is also a motion about the mechanism of the pairings at the AGM.

After seven rounds, the eventual winners were:

- Overall winner Nick Tavoularis on 6.5 points.
- Winner graded U145 Peter Ridsdale on 5.0 points
- Grading prize U165 also Peter Ridsdale
- Grading prize U120 Shared by Walter Greenwood and Mike Hardy

My thanks to everybody who played for completing their matches in good time, and I hope you all enjoyed the atmosphere of the final round.

I am happy to run the event again next year if people want me to!
